2 years warranty

Two-year warranty on all models

Guaranteed quality

Materials and technologies

Product Code: S3

Robust body in stainless steel AISI 304. Heating is made by armored heating element on the upper part of the machine. Cooking chamber is in stainless steel AISI 304. The removable grid is composed of steel rod and has two handles in insulating material. Provided with removable drawer for the collection of cooking waste. By placing in a different position the grid or tray, you get an adjustment of the intensity of heating; the more is the distance between food and source of radiation, the lower is the intensity of heating penetration.
