2 years warranty

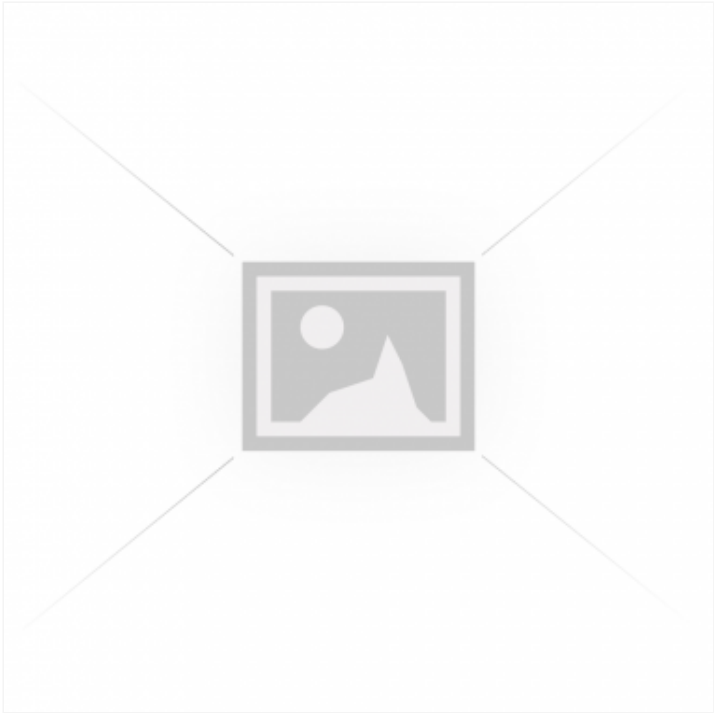

Two-year warranty on all models

Guaranteed quality

Materials and technologies

Product Code: HTRE732

- The compressors use R290 gases (GWP equal to 3) which leads considerable energy saving;
- Hot-gas defrosting, not heating element, grants for energy saving and defrosting is carried out faster;
- Ventilation with total canalization, the guides are folded and safe for hands;
- The material used is all Aisi 304 both inside and outside, except the ceiling, back and outs that are in Aisi 430;
- The insulation is made with HFO polyurethane which has a GWP level equal to 0, respecting the environment and the strict future rules of the coming years;
- Upper part directly foamed with main body
- The work table, if present, is veneered with 20 mm melamine bonded with materials that can withstand temperatures exceeding 100°C;
